Supplication to Manjushri

I bow down to Manju Gosha,
The King who dispels the darkness of ignorance of all sentient beings,
By the radiance of waxing mandala (sun) of intelligence,
To the vast and spacious sphere of comprehensible things.

As from today onwards, in all forthcoming lives,
I have no refuge other than you,
In whichever six migrations I might be born by the power of Karma,
Oh Manju Gosha, please rescue me from the terror of the suffering of Samsara.

When I cast aside the compounded phenomena of this life,
I will depart from the all loving and affectionate relatives and friends,
At the time when caught by terrifying and ferocious Mara (lord of death),
Oh Manju Gosha, please rescue me from the terror of Mara.

By the impact of evil action accumulated from the beginningless time,
The force of storm-like delusion in this existence and that of the intermediate state,
May possibly drive (oneself) towards the intolerable abyss of evil migration,
Oh Manju Gosha, please close the door of the storm of delusion.

At the time when the consciousness takes a physical form in the intermediate state,
Having thoroughly transcended from the eight hectic states,
Oh Manju Gosha, please create an auspicious connection,
To be born into a race that holds the Victory Banner of Muni's Shastra (Buddha's teaching).

By obtaining a leisure and favorable life,
Beautified by the seven qualities of the higher rebirth in next life,
Oh Manju Gosha, please create an auspicious connection,
To meet a Dharma master, who conserves Shastra (Buddha's Doctrine) in an appropriate way.

Oh Manju Gosha, please bestow me talent and intelligent,
To be able to understand correctly and thereby revealing to others,
The well-spoken ocean-like scripture,
Which is expounded by the skillful and compassionate Dharma master.

Oh Manju Gosha, please bestow me blessing, so that (I would be able to) cast off,
All possessions in all live times for the benefit of others only,
And to engage into the distraction less contemplation of Samadhi,
That is associated with the Six Perfections.

Though I have a desire to behold the Mountain of Scriptures,
Which is a supreme cooler, dispelling the heart of Samsara,
Submerging into mud of distraction and lethargy,
Oh Manju Gosha, please seize me swiftly with compassion.

Though I have desire to embark on the path of Supreme Liberation,
By entering into the path of the Profound View,
I, unfortunate, bound by noose of the Samsara,
Oh Manju Gosha, please cut the clinging cord of the Samsara.

Though I have desire to behold the lotus garden of Victorious One,
By casting aside the garden of Kunda flower like self-centered activities,
My mind is obscured by darkness of ignorance,
Oh Manju Gosha, please dispel the massive ignorance.

In brief, Oh Manju Gosha, please bless me so that I along with all sentient beings,
In every birth, could rely upon the ocean of scriptures,
And to become Wish-fulfilling Gems,
Sources of all sort of pleasant things for multiple beings.

By the power of making supplication to you, Manju Gosha,
Oh Manju Gosha, may I become like you,
Fording all sentient beings from the ocean of Samsara,
By the ferry of immaculate two-fold accumulations.

《文殊师利祈请颂》

学识深广渊博若虚空，
智慧浩瀚广大之光芒，
能除众生无明一切暗，
顶礼圣者文殊妙吉祥。

从今乃至生生世世中，
除您之外我无他依怙，
无论业牵六道生何处，
请文殊尊救度轮回苦。

若我今生临命终结时，
离别悲悯慈爱亲友境，
忿怒怖畏死主擒拿际，
请文殊尊拯于阎罗怖。

无始以来所积恶业力，
三有中阴烦恼业风起，
将堕难忍恶道深渊时，
请文殊尊闭烦恼风门。

中阴神识投生交合时，
愿我超越轮回八无暇，
生持圣教胜幢种性中，
请文殊尊安置降生缘。

出生即获七圣功德聚，
得到庄严暇满之人身，
得遇如理持教善知识，
请文殊尊安置遇合缘。

遇方便智大悲善知识，
善妙解说如海众经典，
示令他人如理获通达，
请文殊尊赐我分别智。

全部生世唯一为利他，
灭除悭吝能舍财物境，
断除散乱禅定修行等，
请文殊尊赐我具六度。

消除轮回热恼极清凉，
经典雪山表面我贪看，

却溺散乱懈怠泥泞中，
请文殊尊悲悯速摄持。

已入法教深义之道路，
虽然希求步于解脱道，
轮回绳缚几无解脱望，
请文殊尊斩断轮回绳。

息灭自利广大君陀林，
虽愿见佛伟大莲花园，
然我此智却为痴暗覆，
请文殊尊除无明遮障。

总之我等一切轮回众，
如海经续智慧所依聚，
请文殊尊善妙如意宝，
无余众生所欲皆满愿。

于文殊尊祈请之威力，
圆满二资获证大成就，
普渡众生越过三有海，
愿我如您无别成文殊。
